

## **Cannibals**

A large corporation recently hired several cannibals.

"You are all part of our team now", said the HR rep during the welcome brief. "You get all the usual benefits and you can go to the cafeteria for something to eat, but please don't eat any of the other employees".

The cannibals promised they would not.

Four weeks later their boss called them together. "You're all working very hard and I am very satisfied with your progress. However, one of our secretaries has disappeared. Do any of you know what happened to her?"

The cannibals all shook their heads, "No".

After the boss had left, the leader of the cannibals said to the others, "Which one of you idiots ate the secretary?"

A hand rose hesitantly.

"You fool!" said the leader, "For four weeks we've been eating managers and no one noticed a thing but NO, you have to go and eat someone who actually DOES something!!!"
