

## **Growing Old**

Remember that as we get older, we are worth a fortune. We have silver in our hair, gold in our teeth, stones in our kidneys and lead in our feet.

Ladies can become quite frivolous with two gentlemen accompanying them each day. Will Power helps them get out of bed in the morning and Arthur Ritis never leaves them alone.

When the vicar calls asking about the Hereafter, comes the reply “Oh, I think about that all the time. Whenever I’m in the lounge, kitchen or upstairs, I often ask myself ‘What did I come here after?’”.
